Store Lamb Sale – Hawes Auction Market
It was another successful day's trading at Hawes Auction Market, with a larger ringside of buyers creating a strong demand for all classes of store lambs. More lambs could easily have been handled, with vendors pleased with the prices achieved throughout the sale.
With increased buyer support and further demand for lambs, more store lambs are urgently required for our forthcoming sales. If you have store lambs to sell, please do not hesitate to contact the auctioneers, who will be happy to discuss the marketing options available.

Longer-keep lambs, which were looking well, sold at £110–£115, with the very smallest at £100–£105.
