LIVESTOCK MARKET REPORT

FRIDAY 1ST AUGUST 2025

SALE OF 1375 STORE LAMBS

Some very tidy lambs forward for our second sale and trade very buoyant. A pen of Suffolk x Cheviot Ewe lambs topped the trade at £172 for a pen of 10 with further lots at £128 & £120. Texels were topped by regular consigners T & G Farrow with some fit sorts at £149.50, £139, £128 followed by some smart tight skinned lambs from TK Styan & Ptns & Sledmere Estates both with lots at £133. Beltex x from D Hodgson achieved £134.50 and £114.50 with Dixon Bros in between at £119.50. Mules starting to come forward with some nice big runs and were topped with a few ewe lambs from AD Coates & Son at £135 & £122.50 but the wethers were well bid for and big runs from J Dixon & Son at £114, JL & JA Sunter at £109.50 and P Hallam & R & J Myers both at £109. With 17 lots over the £100 mark, it shows the good quality Mule lambs at Hawes. The longer-term Mules would be the dearest in comparison in the late £80 to mid-£90 mark leaving an excellent average of £102.90 for 512 Mules. Entries invited for the next sale on the 15th August while trade in both fat and store very good. Catalogue closes Tuesday 5th August.
